

To our funeral directors and cremation owners,

#### WHAT?

FRSR Crematory Repair provides Cremator Operator Training which is a 4-5 hour seminar to provide crematory operators and owners the knowledge needed to run and operate efficiently. Each operator participating in the training will receive a course manual and certificate of completion.

#### WHEN?

FRSR Crematory Repair will work around your schedule or provide training dates for you to choose from. Please fill out this form or call to schedule your training seminar.

#### WHERE?

FRSR Crematory Repair will travel to you! We don't want you, or your operators, to lose any production time so we will travel to you.

#### WHAT DOES IT COST?

FRSR Crematory Repair offers two training seminar options that include training fee:

- **Operator Training Seminar: \$1500 + training manuals (\$50/manual)**  
FRSR will travel to your facility and implement the Operator Training Seminar to all operators listed below. The training will cover all aspects to operate safely and efficiently. A training manual is available for an additional fee per participant.
- **Operator Training Seminar included with a current service call: \$950 + training manuals (\$50/manual)**  
FRSR will implement the Operator Training Seminar to all operators listed below during a regularly scheduled service call. The training will cover all aspects to operate safely and efficiently. A training manual is available for an additional fee per participant.
